II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

UNITED STATES DISTRICT COURT

for the

Eastern District of California, Sacramento Division

Plaintiff

Ryan Stephen Ehrenreich, in his
capacity as a Write-In Candidate for
the 2020 U.S. Presidential Election

vs.

Defendant

Michael Watson, in his official
capacity as Secretary of State for the
State of Mississippi

Case No.: _____

**Additions to Federal District
Court Complaint Form**

I. STATEMENT OF CLAIM:

Plaintiff's Claim arises from the State of Mississippi's unwillingness to count and report Write-In Votes for the 2020 U.S. Presidential Ticket of Ryan Ehrenreich (for President) and Veronica Ehrenreich (for Vice President), citing the limited conditions under which Write-In Votes are counted and reported in the State of Mississippi, as dictated by state-

level statute Miss. Code Ann. § 23-15-365. As of Election Day 2020 (November 3rd, 2020), to the best of Plaintiff's knowledge, these limited conditions required by this statute for counting and reporting Write-In Votes were NOT met, so Plaintiff expects that said Write-In Votes will NOT be counted.

Furthermore, Plaintiff asserts that Miss. Code Ann. § 23-15-365 is an unconstitutional state-level statute, as it violates the guarantees provided by the 5th and 14th Amendments to the Constitution of the United State of America. Also, in addition to the harm caused by not counting Write-In Votes for his U.S. Presidential Write-In Ticket, regardless of whether said Write-In Votes are counted or not, the uncertainty that this statute causes amongst the Voting population of the State of Mississippi does grave harm to both Plaintiff and his voters.

Relevant background information about the specifics of Plaintiff's Claim includes:

1) The Plaintiff, Ryan Stephen Ehrenreich, is properly registered and in good standing with the Federal Election Commission (FEC) as a Presidential Write-In Candidate for the 2020 U.S. General Election.

2) As proof of Mr. Ehrenreich's registration with the FEC, a screenshot of Mr. Ehrenreich's FEC Candidacy page (<https://www.fec.gov/data/candidate/P00011395/?tab=about-candidate>) is included as Exhibit A. Also, Mr. Ehrenreich's FEC Form 2 is included as Exhibit B.

3) As proof that Mr. Ehrenreich campaigned for Write-In Votes in the State of Mississippi, Mr. Ehrenreich's November 2nd & 3rd campaign tweets to various

1 news organizations in the State of Mississippi, various college football programs
2 in the State of Mississippi, and more generally to Mississippi Voters via the use
3 of Hashtags, are included as Exhibit C, D and E.

4 Plaintiff's interactions with the Election Authorities for the State of Mississippi (included
5 as Exhibits F and G) that give rise to Plaintiff's Claim are as follows:

- 6 1) On October 22nd, 2020, upon recently discovering from internet resources that
7 Mississippi allows Write-In Voting under certain limited circumstances, Mr.
8 Ehrenreich sent an email to Hawley Robinson, the Mississippi Assistant
9 Secretary of State for the Elections Division, seeking to clarify the conditions that
10 determine whether Write-In Votes are counted and reported in the State of
11 Mississippi. Mr. Ehrenreich also copied Veronica Ehrenreich, his running mate
12 for Vice President (VP), on this email. This email and all subsequent
13 correspondences on this matter are included as Exhibit F.
- 14 2) On October 22nd, 2020, Ms. Hawley responded by clarifying the rare and
15 unusual events (i.e. "the death, resignation, withdrawal or removal of any
16 candidate whose name was printed on the official ballot") that comprise the
17 limited circumstances under which the State of Mississippi counts and reports
18 Write-In Votes on a contest-by-contest basis.
- 19 3) On October 27th, 2020, after contemplating this issue further, Mr. Ehrenreich
20 asked Ms. Hawley for direct clarification as to whether Write-In Votes for his
21 specific Presidential Ticket would be counted and reported, and if not, what are
22 the relevant statutes that prevent this from happening.

1 4) On October 28th, 2020, Ms. Hawley responded indicating that as conditions stood
2 as of that date, such Write-In Votes would NOT be counted and reported. Ms.
3 Hawley also supplied an attachment specifying the text of Miss. Code Ann. § 23-
4 15-365, which is included as Exhibit G.

5 5) On October 28th, 2020, Mr. Ehrenreich followed-up by asking Ms. Hawley how to
6 submit a formal request to have Write-In Votes for his Presidential Ticket counted
7 and reported, if such means exist.

8 6) On October 30th, 2020, Ms. Hawley responded that such means do NOT exist,
9 indicating such a request is NOT possible. Ms. Hawley also clearly indicated that,
10 as of October 30th, a date that is less than one week prior to the 2020 U.S.
11 General Election, precluding the tragic death of one of the Candidates on the
12 ballot, that any Write-In Votes cast in the State of Mississippi for the 2020 U.S.
13 Presidential Election would NOT be counted and reported.

14 7) On October 30th, 2020, Mr. Ehrenreich provided his final response on this email
15 thread by registering his assertion that Miss. Code Ann. § 23-15-365 harms both
16 Candidates and Voters and by reserving the option to sue on this matter. This
17 Complaint is the manifestation of that option.

18 To articulate this Complaint, it is critical to review the text of Miss. Code Ann. § 23-15-
19 365 and register relevant observations:

20 1) The conditions upon which this statute allows Write-In Votes to be counted and
21 reported in the State of Mississippi are limited to the unusual occurrence of a
22 “death, resignation, withdrawal or removal of any candidate whose name was
23 printed on the official ballot.”

2) This statute places no burden on the State of Mississippi to notify Voters and/or Candidates that these conditions exist or whether these conditions have been met as of any particular date(s).

3) Even if the statute did place such a burden on the State of Mississippi, the Voters and Candidates would still need to read, understand, and interpret information on these legal matters to definitively know whether the conditions have been met.

4) In order to learn whether the conditions relevant to this statute have been met, Voters must maintain their own access to real-time information resources (e.g. internet access, cellular data, cable television, etc.) at their own cost.

5) In the event that the conditions of this statute are met, this statute does not guarantee recourse to Voters who have already cast their ballot at a prior date and time when the circumstances had NOT YET been met (e.g. a Voter who Voted one day prior to a Candidate on the Ballot dying) and who desire to change their Vote so as to use the newly valid Write-In Option.

6) The Ballots in the State of Mississippi provide a Write-In Option for each individual contest, regardless of whether the conditions of this statute have been met. Additionally, on these Ballots, no instructions or other text are provided to the Voter that would lead said Voter to believe that a Write-In Vote would be valued (or treated) as less valid than a Vote for a Candidate explicitly listed on the Ballot.

Noting these points, as Miss. Code Ann. § 23-15-365 is currently drafted, this statute shifts the entire burden onto Voters and Candidates to read, understand, and interpret news information, and to maintain their own access to such information at their own

1 cost, in the determination of whether Write-In Voting is allowed (i.e. counted and
2 reported) at any given point in time.

3 Also, should the conditions that the State of Mississippi requires to allow Write-In Voting
4 for a specific contest be met AFTER Voting has already begun, the statute then shifts
5 the entire burden onto any Voter who already cast a ballot under the assumption that
6 Write-In Voting would NOT be allowed in said contest to find some way to rectify their
7 already-cast Vote after the fact. Additionally, from information included in exhibits H
8 through O, it is not obvious to the Voter whether any means to rectify this situation exist
9 in the State of Mississippi, and if means do exist, it is still not clear how to rectify this
10 situation.

11 Furthermore, by nature of the relationship between a Candidate and that Candidate's
12 Voters, the statute also burdens Candidates with the need to educate their Voters on
13 these matters so as to make their Vote effective upon conditions suddenly arising mid-
14 contest that allow for Write-In Voting.

15 Clearly, based on the statute's text, Miss. Code Ann. § 23-15-365 has vast implications
16 on whether Votes for specific Offices are made effective via counting and reporting. This
17 begs the question: "What specific notice is provided for Voters about this matter on the
18 Mississippi State Sample Ballot and on specific Official County Ballots within the State
19 of Mississippi?"

20 To answer this question, the following Exhibits are included:

- 1) A screenshot of the website for the Mississippi Secretary of State
(<https://www.sos.ms.gov/elections-voting/Pages/default.aspx>) with a red box
drawn around the "2020 General Election Sample Ballot" link is included as
Exhibit H.
- 2) The Mississippi State Sample Ballot PDF
(<https://www.sos.ms.gov/content/documents/elections/FINAL%202020%20Sample%20GE%20Ballot%20with%20Flag.pdf>) that results from clicking that link is
included as Exhibit I.
- 3) The Mississippi State Voter Information Guide PDF
(<https://www.sos.ms.gov/content/documents/elections/VoterInformationGuide.pdf>
) is included as Exhibit J.
- 4) The Mississippi State Voter FAQ (<https://www.sos.ms.gov/Elections-Voting/Pages/FAQs.aspx>) is included as Exhibit K.
- 5) The Mississippi State Step-by-Step Absentee Voting Guide
(https://www.sos.ms.gov/content/documents/elections/Step-by-Step%20Guide%20to%20Absentee%20Voting_forweb.pdf) is included as Exhibit
L.
- 6) The Mississippi State UOCAVA Absentee Voting Instructions
(<https://www.sos.ms.gov/Elections-Voting/Documents/UOCAVA%20web%20changes%20Primary%20Election.pdf>)
are included as Exhibit M.
- 7) A Sample Copy of the Official Ballot for Hinds County Precinct 01 in the State of
Mississippi

(http://www.co.hinds.ms.us/pgs/pdf/sampleballots/Hinds_County_MS_2020_General_Election_NP_rev.pdf) is included as Exhibit N.

8) A Sample Copy of the Official Ballot for DeSoto County in the State of Mississippi (<http://records.desotocountymiss.gov/Election/2020GenBallot01.pdf>) is included as Exhibit O.

9) Additionally, Plaintiff has reviewed a variety of Official and Sample Ballots for various Counties in the State of Mississippi, including those for Attala County, Bolivar County, Clarke County, Forrest County, Hancock County, Harrison County, Jackson County, Jones County, Kemper County, Lauderdale County, Lee County, Lowndes County, Madison County, Neshoba County, Newton County, and Rankin County. In all such ballots, the instructional text provided so closely matched that of the Hinds County Official Ballot as to be too redundant to warrant inclusion as Exhibits. Should Defendant dispute this determination, Defendant can provide additional ballots to the Court.

So far as can be determined from these Exhibits, the answer to the question above is that NO notice is given to Voters about the existence of Miss. Code Ann. § 23-15-365 and its vast implications to the counting and reporting of Write-In Votes.

Additionally, unlike the other ballots, the DeSoto County Ballot (Exhibit O) does actually instruct Voters on how to cast Write-In Votes in the "INSTRUCTIONS TO VOTER" box in the upper-left portion of the first page of the ballot. This Ballot specifically states: "2. To cast a write-in vote, blacken the oval () to the left of the line provided and write in the candidate's name." Still, it makes no mention of Miss. Code Ann. § 23-15-365 or its vast implication on whether such a Write-In Vote is counted and reported.

1 From these Exhibits, it is clear that, as Miss. Code Ann. § 23-15-365 places no burden
2 on the State of Mississippi to notify Voters and/or Candidates of whether conditions for
3 Write-In Voting have been met, the State of Mississippi, in turn, makes no effort to alert
4 Voters on the Ballot about:

- 5 1) The default invalidity of ALL Write-In Votes,
- 6 2) Whether statutory conditions for allowing Write-In Voting have been met on a
7 contest-by-contest basis,
- 8 3) That if conditions have NOT yet been met, that it is unlikely that they will be, and
9 so unlikely a Write-In Vote would be counted and reported,
- 10 4) That if conditions ARE later met for a specific contest, how to rectify an already
11 cast Ballot in light of the new validity granted to the Write-In Option for that
12 specific contest, or
- 13 5) That Miss. Code Ann. § 23-15-365 even exists at all.

14 Based on these facts, Plaintiff asserts that Miss. Code Ann. § 23-15-365 is an
15 unconstitutional state-level statute, as it stands in violation of the 5th and 14th
16 Amendments to the Constitution of the United States of America (and possibly other
17 Amendments, as well, depending on the characteristics of Voters whose otherwise valid
18 Votes were invalidated by the enforcement of this statute) by clearly abridging the Right
19 to Vote in the manner previously described, thus also depriving Voters of their rights to
20 Due Process and Equal Protection of the Law.

21 Furthermore, Plaintiff also asserts that ANY state-level statute that yields a Ballot that is
22 so structured as to require a Voter to consult Off-Ballot Resources (including, but not

1 limited to, pamphlets, supplemental materials, news publications, websites, etc.) to
2 determine the validity of ANY Choice that can be entered on the Ballot is
3 unconstitutional. Plaintiff asserts ANY such statute also stands in violation of the 5th
4 and 14th Amendments to the Constitution of the United States of America (and possibly
5 other Amendments, as described previously) by similarly abridging the Right to Vote.

6 Plaintiff also asserts that, by enforcing Miss. Code Ann. § 23-15-365, the State of
7 Mississippi has inflicted grave, serious, and time-sensitive harm upon Mr. Ehrenreich
8 and his Candidacy for the Office of President of the United States of America. This is so
9 because, by refusing to count and report Write-In Votes cast in the State of Mississippi,
10 Mr. Ehrenreich's Presidential Ticket has been denied the possibility of securing
11 Electoral College Votes and prevented from using any real-time showing in the results
12 to further bolster his national campaign.

13 Plaintiff, who is NOT a lawyer, petitions the Court in the form of this Federal Pro Se
14 Complaint asking the Court to aid him in redressing this harm in an urgent, expeditious
15 manner. The Court's aid is especially important, given the small timeframe between the
16 November 3rd U.S. General Election and the voting by Presidential Electors (aka the
17 Electoral College vote) to determine the next President of the United States of America.

18 In this regard, Plaintiff is also requesting that the Court issue an injunction to prevent the
19 State of Mississippi from certifying Presidential Election Results or choosing a Slate of
20 Presidential Electors until AFTER the Court reaches a decision on this Case.

II. IRREPARABLE INJURY:

The prospect of the Electoral College vote occurring prior to this Case being decided clearly presents an Irreparable Injury to the Plaintiff. With this in mind, it is critical that this Case be expedited as much as is legally possible.

To this goal, Plaintiff plans to file a Motion for Summary Judgement shortly after filing this Complaint. As Plaintiff has provided all of the relevant facts of the Case in the Statement of Claim for this Complaint, Plaintiff plans to explicitly request that the Court find that the usual time-consuming processes, such as Discovery, that occur in most civil cases are unnecessary in this Case.

Still, Defendant may have a desire to so burden Plaintiff in the handling of this Complaint as to entice Plaintiff into abandoning this Complaint. This may be done by means including, but not limited to, filing numerous legal motions that Plaintiff must answer, requesting costly-to-produce documents as part of discovery, or other means generally intended to place unbearable monetary and time commitments upon Plaintiff.

Plaintiff notes the requested injunction is likely necessary to bring the incentives for a speedy resolution of this Case into alignment between Plaintiff and Defendant. Plaintiff also notes that the potential harm caused by needing, but not having, this injunction drastically outweighs any burden the injunction places on Defendant.

Plaintiff asserts that it is in the best interest of both parties, as well as the Court itself, that the Court issues the requested injunction so as to bring the incentives of both parties into alignment on this matter and to produce a speedy resolution.

III. RELIEF REQUESTED:

Plaintiff requests the Court to order:

1) That Miss. Code Ann. § 23-15-365 is an unconstitutional state-level statute, and furthermore, for any state or jurisdiction (including District of Columbia) of the United States of America that allows Voters the option to Write-In their own choice (i.e. to Vote in Write-In form or to Write-In Vote) for any specific ballot item, that any state-level or jurisdiction-level laws or statutes that restrict the validity, counting, and/or reporting of individual Write-In Votes in which a legally registered Voter writes no more than the required number of values (e.g. names of candidates) of that Voter's own choosing, or is legally assisted in doing so, are found to violate the guarantees provided by the 5th and 14th Amendments to the Constitution of the United State of America, and as such are unconstitutional;

2) The immediate invalidation of any laws or statutes found to be unconstitutional under Point #1 (such states where the Court hereby invalidates one or more laws or statutes shall henceforth be referred to as "affected states", and similarly, such jurisdictions shall henceforth be referred to as "affected jurisdictions");

3) In affected states and affected jurisdictions, the immediate counting and reporting of any Write-In Votes previously ignored, invalidated, discarded, or in any other way not counted by justification of laws or statutes invalidated under Point #2;

4) That in affected states and affected jurisdictions, the results produced from Point #3 MUST be included in the overall results for any contest held as part of the Nov 3, 2020

1 United States General Election (or any subsequent election) PRIOR to the relevant
2 election authorities determining the winner(s) of any such contest;

3 5) That the performance of Points #3 and #4 MUST be completed prior to any affected
4 state or affected jurisdiction certifying the results of any contest (or election) AND prior
5 to any affected state or affected jurisdiction finalizing any slate of Presidential Electors
6 for the purpose of Electoral College voting;

7 6) That if an affected state fails to meet the requirements of Points #3 through #5 in a
8 timely manner, the Court finds that the rights of Voters in that affected state have been
9 abridged in such a manner that the U.S. Congress may use said abridgement as
10 justification to activate and enforce the punishments listed under Section 2 of the 14th
11 Amendment to the Constitution of the United State of America (and possibly activate
12 other Sections and Amendments, as well);

13 7) That, for an affected state, if it is later found that that the differences between Vote
14 tallies produced BEFORE the performance of Points #3 and #4 and produced AFTER
15 said performance reveal a pattern of occurrence whereby the Court, or any other U.S.
16 legal body, official(s), or officer(s) empowered to issue such finding, construes that the
17 laws or statutes that previously restricted Write-In Voting were applied, whether willfully
18 or not, in such a manner to result in the disenfranchisement of one or more Protected
19 Groups (or Protected Classes), the Court finds that the rights of Voters in that affected
20 state have been abridged in such a manner that the U.S. Congress may use said
21 abridgement as justification to activate and enforce the punishments listed under

1 Section 2 of the 14th Amendment to the Constitution of the United State of America
2 (and possibly activate other Sections and Amendments, as well);

3 8) The immediate review, in all affected states and affected jurisdictions, of all ballot
4 designs used to print individual ballots that were used in the casting of Votes in the
5 2020 U.S. Presidential Election, and upon completion of said review, the requirement to
6 report, out of the total number of ballots cast by Voters in each affected state and
7 affected jurisdiction, the number of ballots cast that suffer from any defect found to be
8 unconstitutional due to the Court's decision in this Case, or arising from laws or statutes
9 found to be unconstitutional by the Court under Point #1, as well as recommendations
10 on how to rectify said ballot designs in the future;

11 9) The determination and reporting of the total number of ballots cast nation-wide that
12 suffer from: a) any defect reported under Point #8 and/or b) any rule, requirement, or
13 imposition, or any possible assumption of imposition, whether actually known to or
14 assumed by the Voter at the time of Voting or not, caused either directly or indirectly by
15 an affected state or affected jurisdiction holding as valid for enforcement any laws or
16 statutes subsequently found to be unconstitutional under Point #1;

17 10) That if the total number of ballots cast suffering from implication under Point #9 is a
18 number that meets or exceeds 50% of the total number of ballots cast nation-wide in the
19 2020 U.S. Presidential Election, and if after performance of Points #3 and #4, the ticket
20 of Ryan Ehrenreich for President and Veronica Ehrenreich for Vice President is not
21 found to be the winner of the 2020 U.S. Presidential Election, the Court shall order that
22 the results of the 2020 U.S. Presidential Election held on November 3rd, 2020 are

1 invalid, null, and void and that a new Election shall be held to determine the next
2 President and Vice President of the United States of America at the earliest possible
3 date.

Dear Assistant Secretary of State for Mississippi Elections,

We are writing to you in regards to the 2020 Presidential Write-In Ticket of President "Ryan Ehrenreich" and Vice President "Veronica Ehrenreich" (see www.fec.gov/data/candidate/P00011395).

We ask that you reply to this email stating whether or not:

Good evening,

Mississippi does not count write-in votes unless a candidate whose name is printed on the ballot or withdraws for a legitimate non-political reasons. Unless those conditions are met, write-in votes are considered illegal and are not counted.

Please let me know if you have additional questions. Thank you –

Dear Ms. Robertson,

Thank you for your response.

We do have a couple of follow-up questions in relation to our U.S. Presidential Write-In Ticket of President "Ryan Ehrenreich" and Vice President "Veronica Ehrenreich" (see www.fec.gov/data/candidate/P00011395).

Questions:

- 1) If a Mississippi voter wrote-in a vote for our candidacy by indicating "Ryan Ehrenreich" for President and "Veronica Ehrenreich" for Vice President, would that vote be counted and reported?
- 2) If not, can you please direct us to the relevant Mississippi statute(s) that prevent such a write-in vote from being counted or reported?

Thank you,
Ryan Ehrenreich

Gmail - 2020 U.S. Presidential Election - Procedures for Write-In Candidates

Dear Ms. Robertson,

We understand your explanation that write-in votes are NOT normally counted and reported unless the unusual circumstances that you specified occur.

Furthermore, we understand that, thus far, those circumstances have NOT occurred in relation to the upcoming Nov 3rd U.S. Presidential Election.

Still, we ask that you count and report any write-in votes for our ticket.

Is there a way for candidates such as ourselves to formally request that write-in votes for their ticket be counted and reported?

Thank you,
Ryan Ehrenreich

Dear Ms. Robertson,

We understand the implications of Miss. Code Ann. § 23-15-365 that you have laid out in our previous email exchanges.

Still, we do not feel this statute is fair to Candidates or Voters.

So although we are under no obligation to do so, we do now alert you to the fact that we reserve the option to sue on this matter.

Thank you,
Ryan Ehrenreich
